

“We Care More So You Don’t Have To

Amy Matthews: “Yvonne and her team have cleaned our home bi-weekly for many years. They feel like family. They are wonderful people and they clean thoroughly. They are always consistent, on time, offer reasonable pricing and have been flexible with us when our schedule changed. We couldn’t ask for more.”

Ashley Robson: “Yvonne and her team have been making my life easier for four years. As a single working mom, the last thing I want to do in my free time is clean the house. Walking into a spotless house that smells clean and fresh, is amazing. They are always reliable, dependable and affordable. I recommend Yvonne and her team any chance I get.”

Kat Ennis: “Yvonne and her team have been caring for our home for years. Having their services gives me peace of mind and allows me to focus on my family and growing my business. I know when they come that our house gets a deep clean and with two young boys, that’s important. The service they provide is friendly, detailed and efficient. I

recommend them to everyone I know.”

Yvonne adds: “What I am most proud of is how far we have come. One of my biggest challenges is that as I grew it became difficult to get it all done myself, but now I have a highly qualified and trusted team.”

Yvonne’s favourite part of the job is working with seniors. “I love working with seniors and feel we can be a big help in making it possible for them to stay in their home longer. We do the heavy chores and cleaning, offering them peace of mind. It is a big trust thing and we take the time to sit and talk and get to know our clients. We are not just an in-and-out cleaning service. Our slogan says it—we are a company who cares more!”

This is the first Readers’ Choice Award for CareMore Cleaning Services and Owner Yvonne Munshaw couldn’t be happier.

“Our slogan is ‘We Care More So You Don’t Have To’ and we care deeply about our clients and thank them from the bottom of our hearts for voting for us for our first-ever Readers’ Choice Award,” says Yvonne Munshaw. “We are so proud to provide quality cleaning services, with honesty and integrity, at an affordable price. We supply all of the cleaning products—and peace of mind for our customers!”

Yvonne established CareMore Cleaning Services in 2014 after spending several years working for a commercial cleaning service. She and her team have a stellar reputation for putting customers first, specializing in commercial, residential and post-construction cleaning services.

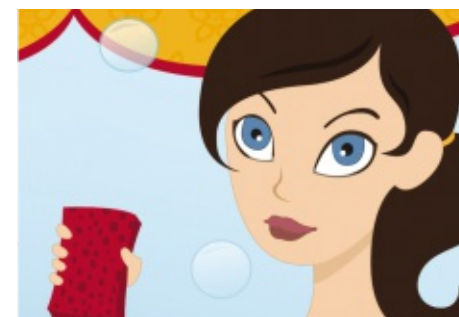

“We work for Bradley Homes and clean new homes before they go on the market so

they are shiny clean and ready for the new home buyer to move in,” explains Yvonne. “We also work with local Realtors, shipping companies, dance studios, sports medicine clinics, as well as many other companies in the Barrie area.”

In terms of residential clients, CareMore Cleaning Services clients range from busy working millennials to senior citizens who need a little help caring for the family home. Services can be booked on a one-time basis to prepare for a big event, or on a regular basis.

“We dust everything high and low including the baseboards; vacuum, mop, clean everything in the kitchen and bathroom and other rooms as required,” states Yvonne. “The huge benefit of using our services is convenience and peace of mind.”

These client testimonials speak volumes about the quality of the work.
